RAMSEY SPEECH PATHOLOGY

DID YOU KNOW?

Did you know that every child has the right to be and feel safe and protected from harm?

That's right!

You have the right to be treated with kindness and respect, and to feel secure wherever you are.

This includes at home, school, therapy, in the park, and even online.

WHAT IS HARM?

Sometimes, things can happen that make you feel unsafe or uncomfortable. This can be called harm.

Harm can take many forms, like:

**SOMEONE
HURTING YOU
PHYSICALLY,
LIKE HITTING OR
PUSHING**

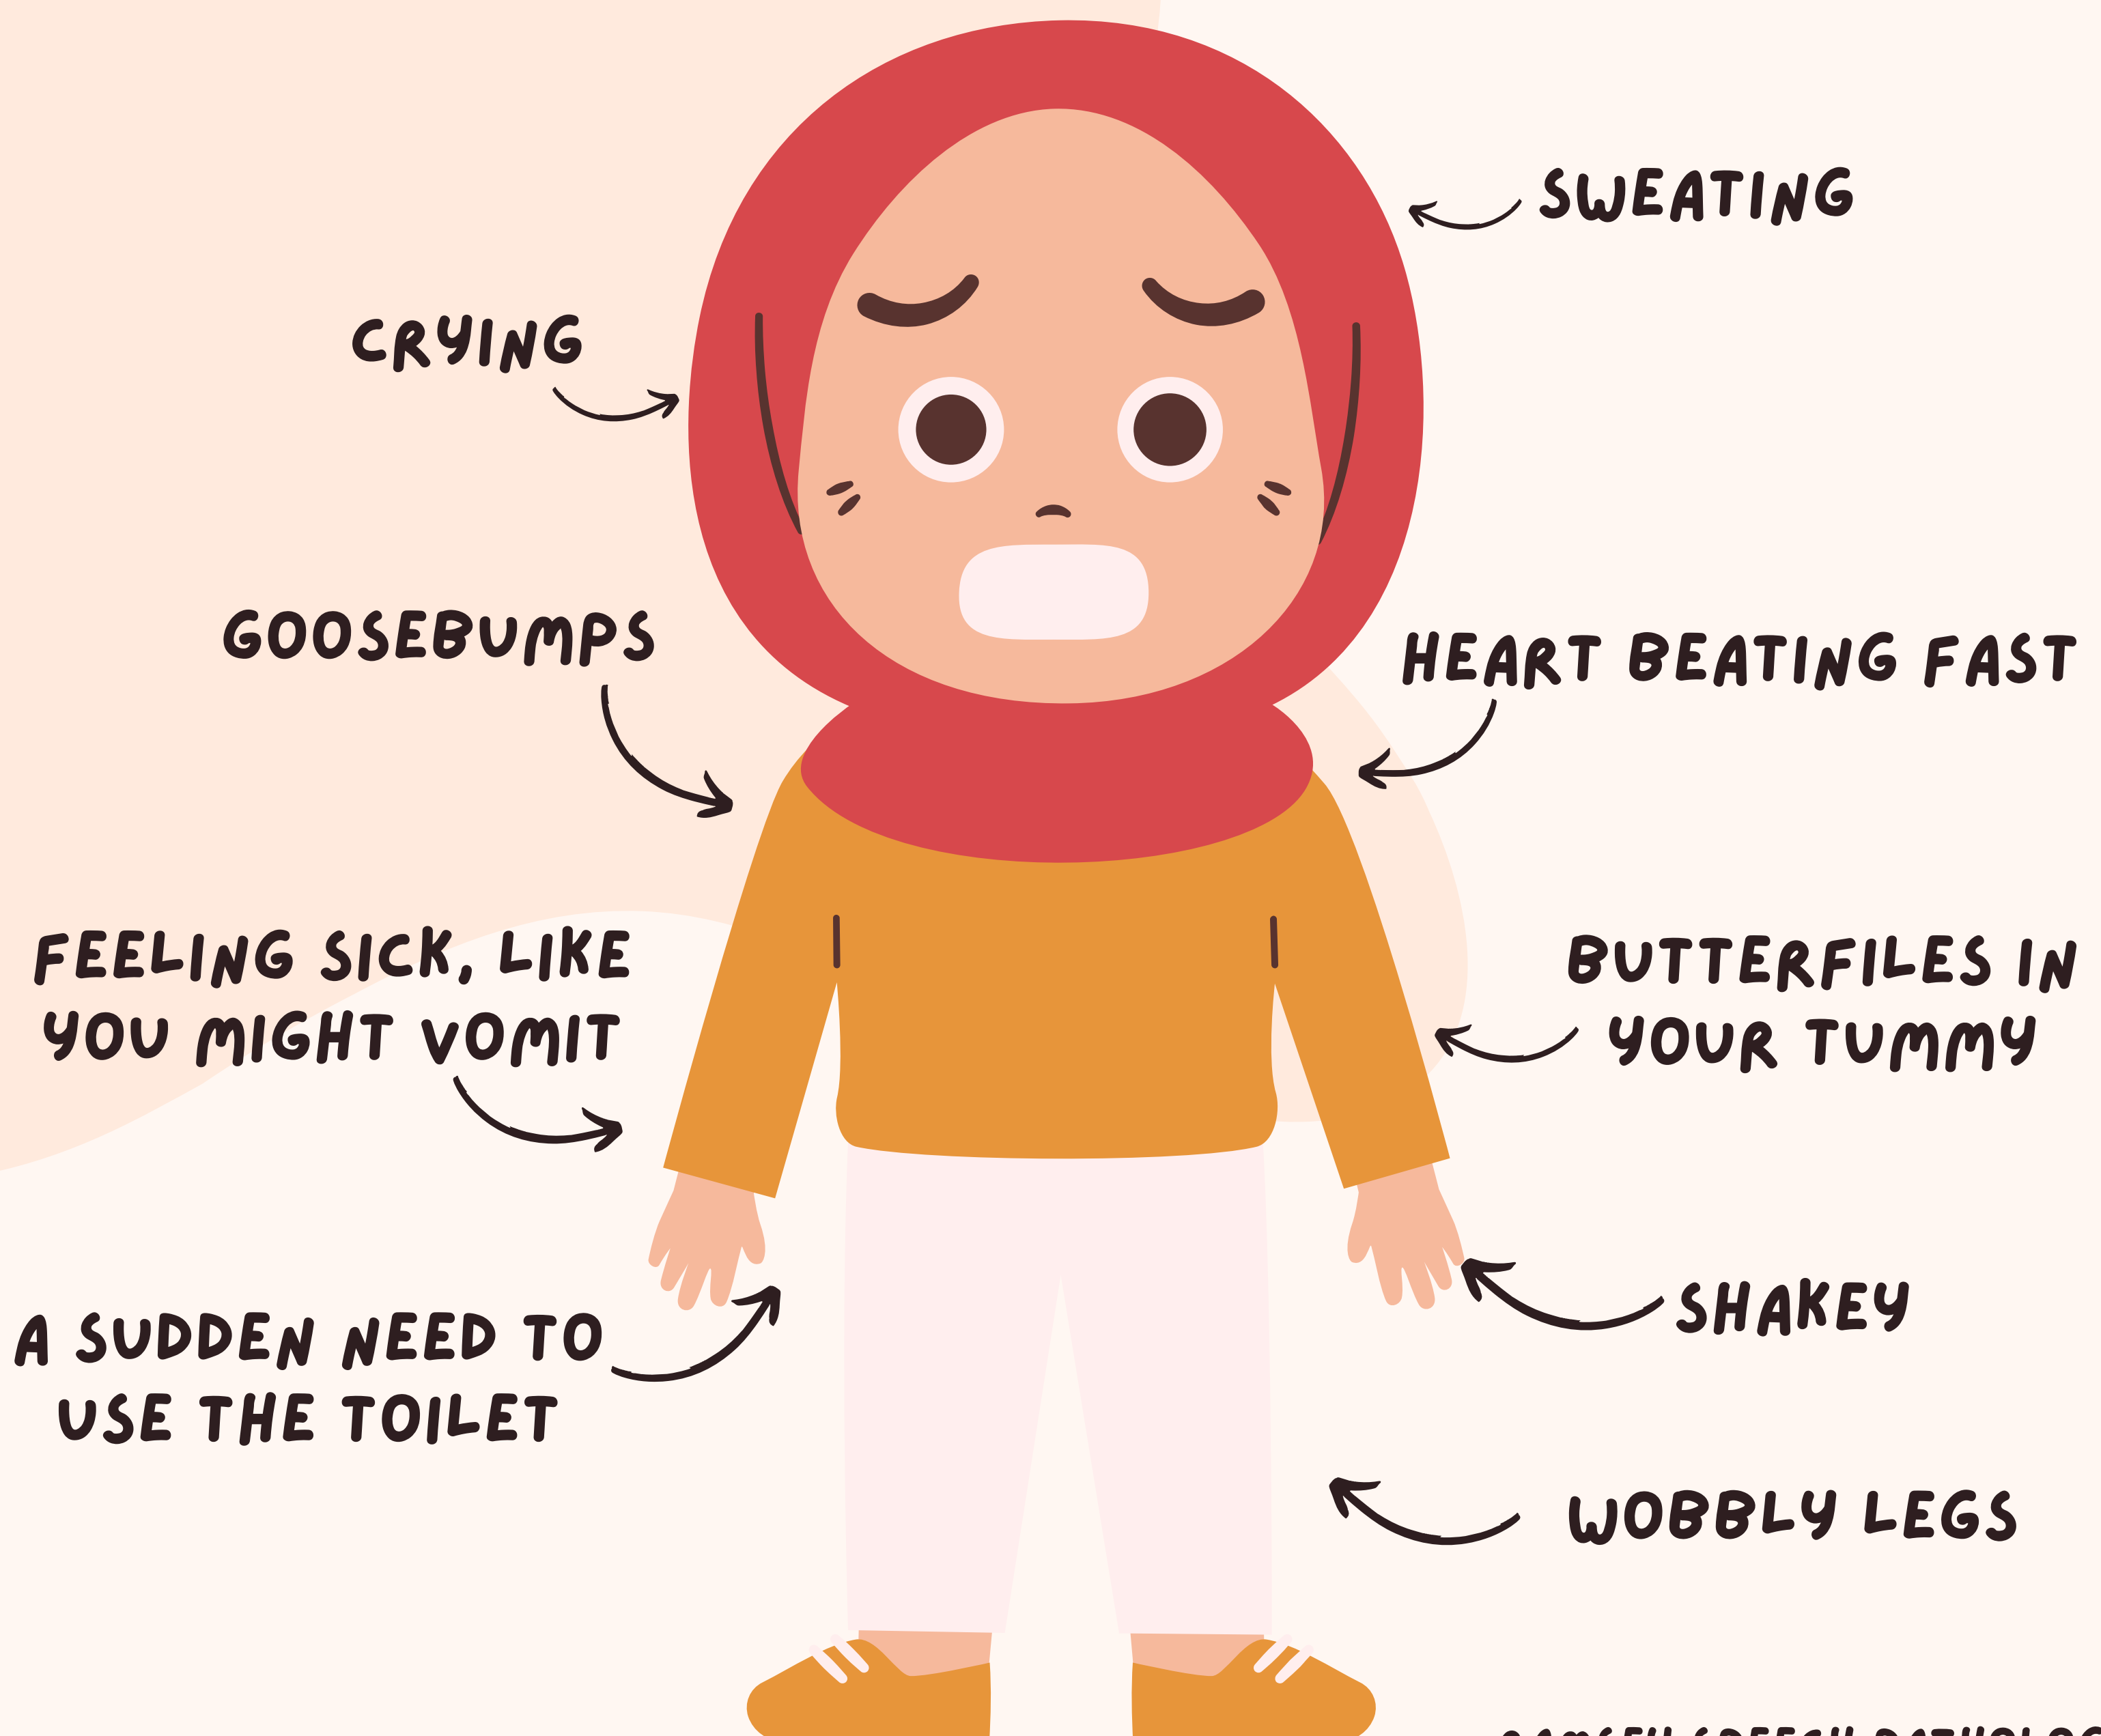

**SOMEONE TOUCHING
YOU IN A WAY THAT
MAKES YOU FEEL
UNCOMFORTABLE**

**SOMEONE
MAKING YOU
FEEL PRESSURED
OR SCARED**

**SOMEONE
YELLING AT YOU
OR SAYING MEAN
THINGS**

HOW WILL YOU KNOW?

If you're unsafe, your body will try to tell you.
You might notice things like:

WHAT CAN YOU DO?

It's important to trust your feelings.

You have the right to be believed when you tell an adult that you've been hurt or that you feel unsafe.

If you ever experience harm, you should tell someone you trust. This could be a parent, teacher, therapist, or another trusted adult.

There's no secret that you can't tell someone!

WHAT CAN YOU DO?

You can also call a special helpline for children, like:

- Child Protection Hotline - 131 478
- Bravehearts - 1800 272 831
- Kids Helpline - 1800 55 1800

Remember, you are never alone! There are always people who care about you and want to help.
